

International Program

Welcome

Thank you for considering Southeastern Preparatory Academy as an option for your international scholar's education. We appreciate your interest in our school and look forward to answering your questions.

Location

SEPA is situated on a beautiful campus in Maitland, Florida, United States, approximately 30 - 40 minutes from Seaworld, Universal Studios, Orlando and Disney attractions. We are close to the University of Central Florida, Rollins College, FullSail University and more.

About Us

We are a private preparatory academy which educates scholars from many backgrounds and cultures, and our school represents a diverse demographic of families. Our **MISSION** is to foster holistic education by integrating athletics into the learning process, empowering students to thrive physically, emotionally, and academically. We are committed to providing a supportive environment where students can excel in both their academic pursuits and athletic endeavors, preparing them for success in all aspects of life.

Education vision

Our **VISION** is to provide a unique learning environment that engages students and prepares them for the future through rigorous academic and athletic programs. Through a partnership with parents and families, our staff members are fully committed to students' college and career readiness. Students are empowered to meet current and future challenges by developing social awareness, civic responsibility, and personal growth.

International Program

Our International Program is SEVIS approved and offers a comprehensive college-preparatory curriculum designed to prepare all scholars, including international, for admission into American Colleges and Universities. Our school is fully accredited, and we offer host family placement for your scholar if needed.
